

REWARDS PROGRAM

Your cooperation is one of the most important aspects in achieving an excellent orthodontic result.

To recognize and reward your hard work, we have created a rewards program:

Ghosh Smile Rewards

Bring your card and start earning points right away! You have the ability to earn more points at each appointment. The more points you accumulate, the larger the reward you can earn. Remember to bring your card at each appointment. We have a wide variety of prizes that can be redeemed in our office or on our website. To view your points and select prizes go to www.ghoshortho.com then click on your card graphic. Simply enter your 16-digit reward number (from the back of your card) and your 4-digit password. Once inside the Ghosh Orthodontics Patient Reward Hub you can:

Upload a photo of you wearing your Ghosh t-shirt, Find ways to earn points, Check messages from our office, View your points, and much more.

Redeem prizes from our list of gifts that you qualify for and they will be mailed directly to your house!
